## DECISION ON JOINT STIPULATION<sup>1</sup>

On July 28, 2010, Amanda Foster ("petitioner") filed a petition pursuant to the National Vaccine Injury Compensation Program.<sup>2</sup> 42 U.S.C. §§ 300aa-1 to -34 (2012). Petitioner alleged that as a result of receiving Hepatitis B ("Hep B") vaccinations on August 3, 2007 and September 10, 2007, she suffered encephalopathy, dystonia, and other related symptoms. Stipulation at ¶ 2, 4, filed Mar. 18, 2016. Further, petitioner alleged that she experienced residual effects of her injury for more than six months. Petition at ¶ 33, filed July 28, 2010.

<sup>&</sup>lt;sup>1</sup> Because this decision contains a reasoned explanation for the undersigned's action in this case, the undersigned intends to post this ruling on the website of the United States Court of Federal Claims, in accordance with the E-Government Act of 2002, 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). As provided by Vaccine Rule 18(b), each party has 14 days within which to request redaction "of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy." Vaccine Rule 18(b).

<sup>&</sup>lt;sup>2</sup> The National Vaccine Injury Compensation Program is set forth in Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755, codified as amended, 42 U.S.C. §§ 300aa-1 to -34 (2012) (Vaccine Act or the Act). All citations in this decision to individual sections of the Vaccine Act are to 42 U.S.C.A. § 300aa.

On March 18, 2016, the parties filed a stipulation in which they state that a decision should be entered awarding compensation. Respondent denies that the Hep B vaccinations caused petitioner's encephalopathy, dystonia, or any other injury or her current condition. Stipulation at ¶ 6. Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds the stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

The parties stipulate that petitioner shall receive the following compensation:

- 1) A lump sum of \$57,986.27, in the form of a check payable to petitioner, Amanda Foster; and
- 2) A lump sum of \$2,013.73, which amount represents reimbursement of a Medicaid lien, in the form of a check payable jointly to petitioner and

DHHR/HMS Tort Recovery P.O. Box 11073 Charleston, West Virginia 25339 File No.: 137667

Petitioner agrees to endorse this check to DHHR/HMS Tort Recovery.

These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

The undersigned approves the requested amounts for petitioner's compensation. Accordingly, an award should be made consistent with the stipulation.

The clerk of the court **SHALL ENTER JUDGMENT** in accordance with the terms of the parties' stipulation.<sup>3</sup>

IT IS SO ORDERED.

<sup>&</sup>lt;sup>3</sup> Pursuant to Vaccine Rule 11(a), entry of judgment is expedited by the parties' joint filing of notice renouncing the right to seek review.

### STIPULATION

The parties hereby stipulate to the following matters:

- 1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-10 to -34 ("Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of the Hepatitis B ("Hep B") vaccine, which vaccine is contained in the Vaccine Injury Table ("Table"), 42 C.F.R. § 100.3(a).
  - 2. Petitioner received Hep B immunizations on August 3, 2007, and September 10, 2007.
  - 3. The vaccines were administered within the United States.
- 4. Petitioner alleges that she suffers from encephalopathy, dystonia, and other related symptoms as a result of receiving the Hep B vaccines.
- 5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.
- 6. Respondent denies that the Hep B immunization caused petitioner's alleged encephalopathy, dystonia, or any other injury or her current condition.

- 7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.
- 8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:
  - a. A lump sum of \$57,986.27 in the form of a check payable to petitioner; and
  - b. A lump sum of \$2,013.73, which amount represents reimbursement of a Medicaid lien, in the form of a check payable jointly to petitioner and

DHHR/HMS Tort Recovery P.O. Box 11073 Charleston, West Virginia 25339 File No.: 137667

Petitioner agrees to endorse this check to DHHR/HMS Tort Recovery.

Payments made pursuant to paragraphs 8(a) and 8(b) represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

- 9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.
- 10. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies,

Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

- 11. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.
- 12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees, litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. §§ 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. §§ 300aa-15(g) and (h).
- 13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the Hep B vaccinations administered on August 3, 2007, or September 10, 2007, as alleged by petitioner in a petition for vaccine compensation filed on or about July 28, 2010, in the United States Court of Federal Claims as petition No. 10-487V.

- 14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.
- 15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.
- 16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.
- 17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the Hep B vaccine caused petitioner's alleged encephalopathy, dystonia, or any other injury or her current condition.
- 18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
